

Alja Horvat: The Beginning

27 January–25 February 2023

artKIT

We kindly cordially invite you to the opening of the solo exhibition of the internationally renowned illustrator, painter and designer **Alja Horvat**, entitled **The Beginning**, which will take place on **Friday, 27 January at 6 p.m. in the artKIT exhibition space.**

Alja Horvat works mainly with the graphic tablet, but also loves traditional oil painting. She has designed for companies such as Barcaffè, Anthropologie, Urban Outfitters, FILA, Jeruzalem Ormož, etc. The exhibition explores colourful patterns that intertwine, connect and complement each other. She is inspired by everything that surrounds her, especially nature and museums. The artist, who is best known for her illustrations and depictions of women, focuses this time on depicting flowers and floral patterns open to interpretation. Alja's patterns are dominated by a carefree nature that takes us beyond the problems of today's world.

Alja Horvat is also part of **Forbes' 30 Under 30 Art & Culture 2020**, and in 2019 she was awarded the **Elle Style Fashion Award** for young talents.
